

Thank you to **everyone** who raised their hand for education.

In addition to the generous donors of cash and in-kind gifts listed below, CEF would also like to thank its many energetic volunteers. Together we donated **\$126,000** to Claremont's K-12 schools to support art, music and technology for the 2017-18 school year! Teacher Innovation Grants will be awarded later this fall, so please encourage your child's teacher to apply.

BUSINESS PARTNERS

Special thanks to these businesses that are supporting quality public education in Claremont. We hope you will consider patronizing them to show your appreciation. To become a Business Partner, please call (909) 399-1709.
